\* ATN reserves the right to change the above specifications at any time without notice.

## APPLICATION

ATN X-Sound Ear Muff reduces harmful loud noise down to safe levels below 82 dB and enhances clarity of surrounding low level sounds such as conversations and announcements.

The ergonomic volume control knob allows for total adjustment of the two built-in omnidirectional microphones, while built-in wireless capability enables hands-free calling and music enjoyment. Or, connect a playing device via the 3.5 mm audio jack.

### WIRELESS PAIRING

Turn the unit on and hold the BT Button down for 1 second. Pairing will initiate and the blue LED will flash every 2 seconds. Select the name "EM030BT" in the Bluetooth settings on your phone or mp3 player to connect.

### ANSWER CALL

Short press the BT Button to answer an incoming call.

### REJECT CALL

Long press the BT Button to reject an incoming call.

### END CALL

During a call, short press the BT Button to end.

### LAST NUMBER REDIAL

Double press the BT Button to re-dial the last phone number.

### AUDIO PAUSE/PLAY

Short press the BT Button to pause/play music.

### CALL ON HOLD/WAITING

During phone calls, if a new call comes in double press the BT Button to switch from the first call to second call.

To switch back to the first call and end the second call, short press the BT Button.
